Spectrum Math for grade 7 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers algebra, geometry, statistics, proportions, ratios, and more. A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet—and surpass—learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey – ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections http://goengage.com/infotrac. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements, figures, and texts of literary criticism, as well as surveying their cultural, historical, and philosophical contexts. Supplies the cultural, historical and philosophical background to the literary criticism of each era Enables students to see the development of literary criticism in context Organised chronologically, from classical literary criticism through to deconstruction Considers a wide range of thinkers and events from the French Revolution to Freud's views on civilization Can be used alongside any anthology of literary criticism or as a coherent stand-alone introduction

Widely acclaimed for its accessibility and engaging approach to the subject, the fourth edition of The Methods and Skills of History combines theory and instruction with hands-on practice, making it a comprehensive guide to historical research and writing. Combines theory with hands-on practice in its introduction to historical methods includes a series of field-tested exercises designed to make the research and writing of history more meaningful and accessible to readers Features expanded coverage of writing history and up-to-date coverage of online research Designed to strengthen students' critical thinking and communication skills

Prev. editions entered under: Linn, Robert L.

Fans of Alice Sebold and John Green will be transfixed by this sophisticated, edgy debut novel packing dark humor, biting wit, and a lot of Jack Daniels. Who put the word fun in funeral? I can't think of anything fun about Rachel's funeral, except for the fact that she won't be there. Aubrey Glass has a collection of potential suicide notes—just in case. And now, five years—and five notes—after leaving her hometown, Rachel's the one who goes and kills herself. Aubrey can't believe her luck. But Rachel's death doesn't leave Aubrey in peace. There's a voicemail from her former friend, left only days before her death, that Aubrey can't bring herself to listen to—and worse, a macabre memorial-turned-high-school reunion that promises the opportunity to catch up with everyone . . . including the man responsible for everything that went wrong between Aubrey and Rachel. In the days leading up to the funeral and infamous after party, Aubrey slips seamlessly between her past and present. Memories of friendship tangle with painful new encounters while underneath it all Aubrey feels the rush of something closing in, something she can no longer run from. And when the past and present collide in one devastating night, nothing will be the same again. But facing the future means confronting herself and a shattering truth. Now, Aubrey must decide what will define her: what lies behind . . . or what waits ahead.

When an unnamed narrator opens his door to a lightning-rod salesman, the two become involved in a philosophical discussion about faith and the will of God. The salesman claims that the copper rod will protect its owner from the very lightning that the narrator believes to be an act of God. As they argue, and the narrator laughs off the explanations, the salesman becomes increasingly and violently angry. The allegorical nature of Herman Melville's tale explores the ideas of good and evil, and faith in God before faith in fear. This story was included as part of Melville's collection The Piazza Tales. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.

The posthumous publication of The Argument and the Action of Plato's 'Laws' was compiled shortly before the death of Leo Strauss in 1973. Strauss offers an insightful and instructive reading through careful probing of Plato's classic text. 'Strauss's The Argument and the Action of Plato's 'Laws' reflects his interest in political thought, his dogged method of following the argument of the Laws step by step, and his vigorous defense of this dialogue's integrity in respect to the ideals of the Republic.'—Cross Currents "The unique characteristics of this commentary on the Laws reflect the care and precision which were the marks of Professor Strauss's efforts to understand the complex thoughts of other men."—Allan D. Nelson, Canadian Journal of Political Science "Thorough and provocative, an important addition to Plato scholarship."—Library Journal "The major purpose of the commentary is to provide a reading of the dialogue which displays its structural arrangement and the continuity of the argument."—J. W. Dv, Bibliographical Bulletin of Philosophy "The reader of Strauss's book is indeed guided closely through the whole text."—M. J. Silverthorne, The Humanities Association Review Leo Strauss (1899-1973) was the Robert Maynard Hutchins Distinguished Service Professor Emeritus of political science at the University of Chicago.
