I'm confused if I should read *What Happens After & The Trouble with Before*, if I haven't read the series. Both books were written to read as a standalone. Reading the *If I Break* series is not required.

I'm obsessed with blowing kisses. I guess that makes me a romantic. I love books and cute boys and reading about cute boys in books. I'm infatuated with the glamour girls of the past:

Audrey, Dorthy, Marilyn, Elizabeth. I'm a self confessed girly girl, book nerd, food enthusiast, and comic book fan.

~It is HIGHLY recommended to thoroughly enjoy this story that you do NOT read spoilers or reviews. It is BEST to go on blind.~ Fresh off of a broken heart I met Cal Scott. He was just what I lacked, a beautiful distraction. At six-foot-two, with ebony hair, storm gray eyes, and a smile that could only hide an agenda, I knew he was trouble. And for the first time in my life, a little trouble was just what I needed. No. What I wanted. It wasn't like I'd ever marry the guy. Until I did. What I thought would be my happily ever after, was only the beginning. Cal has a secret. One that makes

loving him come with a price, and being his wife cost more than I bargained for.

The conclusion to the If I Break Series. Cal's back and his arrival changes everything. Lauren knew it was coming but what she didn't think he'd bring with him was an ultimatum. A choice. One that Lauren feels trapped under. A choice she's unsure will make a difference but could possibly change everything. The ultimatum isn't the only thing Cal's got with him but answers. The ones Lauren so desperately craves. But the truth won't only affect the lives of he and Lauren but everyone around them...and not everyone wants the truth to come out. The good thing is Cal doesn't give a F... ...There's two sides to every story. In this one there's three.

Lauren Brooks fell in love with Cal Scott at twenty one, married him at twenty two and had her heart broken at twenty three when he walked out of their marriage. At twenty five, while raising their daughter on her own, Lauren is finally moving on with her life...until she learns the reason for Cal's abandonment. The walls she had carefully built around her begin to collapse. The day she meets Chris, all those feelings she thinks she has bottled up tightly come spilling out. She can't afford to give in to her heart's desire again. Love nearly broke her once, and her daughter doesn't need two broken parents. Christopher Scott is in love and newly engaged to Jenna, who saw him through an illness he didn't think he could survive. He's finally settling into the life

he's always wanted, and he's making plans he only dared to dream before now. That's when a woman named Lauren arrives on his doorstep. She's intriguing, beautiful and, try as he might, he can't stay away. The closer he gets to her, the more his rock-solid plans begin to crumble. All he knows is that Lauren is the missing piece to a puzzle he must solve. For him to put all the pieces in place, he'll have to follow his heart, and that might cost him everything...

I knew he would ruin me from the moment we met. Everything about the man screamed confidence. Sensuality. Intelligence. Worldliness. But it was how he saved me that ruined me most. Through him, I learned to end my path of self-destruction. I no longer needed to numb the pain with mindless one-night-stands and drunken blackouts. He made me feel worthy. Treasured. Optimistic about my future. Here I stand four years later, in a coffee shop a world away, still broken...but beautifully so. My scars no longer hold me back. Instead, they give me strength and enrich my

appreciation for the good things in life. I have hopes and dreams...faith that anything is possible. I am no longer the lost little girl fighting for survival. I have direction. I have courage. I am not without possibility. I'll always have Gavin to thank for that-Mr. Cooper, I remind myself. That's who he is to me now: just a former teacher. I know what you're thinking, but don't worry. I was eighteen when we first met. Legally, we did nothing wrong. Morally? Well, I guess that depends on how flexible your morals are. My name is Kat and this is my story.

Restore your faith in love and family with one Army wife's courageous story of how she helped her husband recuperate from losing both of his legs while serving in Afghanistan. Paige received the phone call that every military wife prays will never come. Her

husband, Army Sergeant Josh Wetzel, stepped on an improvised explosive device while patrolling in Afghanistan. The blast resulted in the immediate loss of his legs. His survival was uncertain, and in the days to come, this traumatic incident began an unbelievable journey of faith for them as a couple. Paige's vulnerability as she struggles physically, emotionally, and spiritually, will remind you of the power of commitment and love in the face of adversity. You will discover the bravery and grit of a woman who stood behind the battle lines but faced a battle of her own to save her marriage and her family. As a military wife, Paige had to come to terms with the priorities of the military: God, Country, and then Family.

The third book in the Beautifully Broken series. Sometimes before we fall . . . we fly. One dark moment was all it took to turn twenty-

four-year-old Dominic Kinkaide's world black. On the night of his high school graduation, a single incident changed him forever, and he became a hardened man - famous in the eyes of the world, but tortured inside. Now all he cares about is losing himself in the roles that he plays. At twenty-three years old, Jacey Vincent doesn't realise how much her father's indifference has affected her. She tries to find acceptance in the arms of men to fill the void - a plan that has worked just fine for her, until she meets Dominic. When jaded Dominic and strong-willed Jacey are thrown together, the combination of his secrets and her issues turns their attraction into the perfect storm. It could change their lives for good - if it doesn't tear them both apart . . .

Love is something I've always been afraid of so I guarded myself

from it. When I met Kam he changed everything. He smashed down the walls I had so carefully constructed around myself. He illuminated a world I didn't think could ever be possible for me, that the dream I protected could become a reality. But Kam doesn't know that my walls are up for a reason. *** When I met Alana I wanted her from the moment I saw her. Tight black material hugged every curve of her body. She stood on heels sharp enough to slit a throat. Plump red lips...it was like she was straight out of Maxim—any man's fantasy—but behind the sex appeal, smart mouth, and edginess...is something else. And I plan to peel back every single layer to find out what.

This is book 4 in the IF I Break Series. It is strongly suggested to start at book 1 which is currently free. When you're heartbroken, it

lies beneath everything that you do. It's in all of who you are. Foreshadows who you'll be. It hides underneath your smile, rests between your laugh, revels in your tears and taunts your every thought. You wish it away but are too terrified to let it go.... When Cal first disappeared I swore my heart had broken, and before all of this is over I swear it will shatter into pieces.

Is it possible to become whole again after brokenness or trauma? What choices can help us transition from feeling like a victim to empowering our potentials? Author Cathy Studer shares the steps she followed as she moved through her own pain of carrying shame, low self-worth, and humiliation after six years of childhood sexual abuse.
