the very best that the world's business thinkers currently have to offer.

Business owners today are constantly faced with difficult challenges and eight of ten new businesses will not survive the first five years. Competition is difficult and building a sustainable, profitable business is arguably the most challenging sport in all of business today. In *The Ultimate Business Tune Up* Rich Allen combines the experiences of his father's own small business, his personal experiences running and growing a business, and his learning from advising hundreds of small business owners into a powerful, step-by-step guide for small business owners everywhere. Rich introduces a model that is both easy to understand and powerful when used to make strategic business decisions.

There is a bewildering array of choices facing all managers, whether newly appointed or experienced business hands. No matter how much experience you have, everyone can make mistakes. *The Ultimate Book of Business Skills* points the way for anyone in a business role. It puts the essential techniques for running a business, managing a team and making informed choices about strategy straight into the hands of the people who need them. *The Ultimate Book of Business Skills* is a great
