Going Solo tells of how, when he grew up, Roald Dahl left England for Africa - and a series of daring and dangerous adventures began... Continuing from where he left off at the end of Boy: Tales of Childhood, Going Solo focuses on Roald's adult life before he began his career as a writer. From plane crashes to snake bites, it takes us through some of the amazing things he experienced while living in Africa, to his time as an RAF pilot during the Second World War.

Going Solo - Roald Dahl

Boy and Going Solo: Dahl, Roald, Blake, Quentin, Blake ...

From his own life, of course Boy includes tales of sweetshops and chocolate, mean old ladies, and the Great Mouse Plot. And then Going Solo tells of how, when he grew up, Roald Dahl left England for Africa and later went flying with the Royal Air Force.

In Going Solo, the world's favourite storyteller, Roald Dahl, tells of life as a fighter pilot in Africa. 'They did not think for one moment that they would find anything but a burnt-out fuselage and a charred skeleton, and they were astounded when they came upon my still-breathing body lying in the sand nearby.' In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa, hoping to find adventure far from home. However, he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF. His account of his experiences in Africa, crashing a plane in the Western Desert, rescue and recovery from his horrific injuries in Alexandria, flying a Hurricane as Greece fell to the Germans, and many other daring deeds, recreates a world as bizarre and unnerving as any he wrote about in his fiction. 'Very nearly as grotesque as his fiction. The same compulsive blend of wide-eyed innocence and fascination with danger and horror' Evening Standard 'A non-stop demonstration of expert raconteurship' The New York Times Book Review Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The author describes his summer vacations as a child in Norway, life in an English boarding school, adventures as a young man working in East Africa for the Shell Company, and being a fighter pilot in World War II.

Boy and Going Solo is the whole of Roald Dahl's extraordinary autobiography in one volume. Roald Dahl wasn't always a writer. Once he was just a schoolboy. Have you ever wondered what he was like growing up? In BOY you'll find out why he and his friends took revenge on the beastly Mrs Pratchett who ran the sweet shop. He remembers what it was like taste-testing chocolate for Cadbury's and he even reveals how his nose was nearly sliced off. Then in GOING SOLO you'll read stories of whizzing through the air in a Tiger Moth Plane, encounters with hungry lions, and the terrible crash that led him to storytelling. Roald Dahl tells his story in his own words - and it's all TRUE. And now you can listen to all of Roald Dahl's novels for children on Roald Dahl Audiobooks read by some very famous voices, including Kate Winslet, David Walliams and Steven Fry - plus there are added squelchy soundeffects from Pinewood Studios! Also look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! and HOUSE OF TWITS inspired by the revolting Twits.

Roald Dahl's life was as bizarre, frightening, exciting and funny as the stories he wrote. Now you can read the whole of his extraordinary autobiography in one volume.

Roald Dahl's account of his childhood is now reissued in a beautiful hardcover format, with -- for the first time -- Quentin Blake's stunning illustrations. Roald Dahl writing about his own childhood is a treat for any Dahl fan -- young or old. These stories are warm, touching, funny and show the development of one of the UK's most treasured children's writers.

From the author of The BFG, Matilda, James and the Giant Peach, Willy Wonka and the Chocolate Factory, and many more beloved classics—a whimsical, witty, and revealing collection of the legendary children's author and writer Roald Dahl's letters written to his mother, from early childhood through Dahl's travels to Africa, his career in the Royal Air Force, his work in post-war Washington, D.C., and Hollywood, and the books that made him a literary star. Roald Dahl penned his first letter to his mother, Sofie Magdalene, when he was just nine years old. The origins of a brilliantly funny, subversive, creative mind were evident in boarding school, and as he entered adulthood, his penchant for storytelling emerged in his missives home from Africa, where he was stationed by Shell Oil, and then the desert camps of the Royal Air Force. His skills were sharpened after a plane crash in Egypt landed him in Washington, D.C., where his cheery letters home were cover for his work in the British Secret Service, along with gossipy updates on his spontaneous rise in Hollywood and his budding New York literary career. His mother was, in many ways, Dahl's first reader, and without her correspondence he might never have become a writer. Sofie Magdalene kept every letter her son wrote to her (sadly, her own side of the correspondence did not survive). It was she who encouraged him to tell stories and nourished his desire to fabricate, exaggerate, and entertain. In these letters, Dahl began practicing his craft, developing the dark sense of humor and fantastical imagination that would later produce his timeless tales. The author of James and the Giant Peach, Charlie and the Chocolate Factory, Matilda, and The BFG, Dahl is known by millions the world over today. But, writing candidly to the person who knew him best, Dahl was as singular a character as any he created on paper. Assembled by Dahl's authorized biographer Donald Sturrock, Love from Boy is a remarkable collection of never-before-published writing that spans four decades and chronicles the remarkable, unpredictable life of its author. While Dahl's books remain bestselling

Access Free Boy And Going Solo Roald Dahl

favorites for all ages, *Love from Boy* provides an unprecedented glimpse of the author through his own eyes—a life punctuated by tragedy, creative stagnation, unexpected fame, and fantastic adventure.

Humorous anecdotes from the author's childhood describe summer vacations in Norway and life in an English boarding school.

Find out where the bestselling author of *Charlie and the Chocolate Factory* and *The BFG* got all his wonderful story ideas in this autobiographical account of his childhood! From his own life, of course! As full of excitement and the unexpected as his world-famous, best-selling books, Roald Dahl's tales of his own childhood are completely fascinating and fiendishly funny. Did you know that Roald Dahl nearly lost his nose in a car accident? Or that he was once a chocolate candy tester for Cadbury's? Have you heard about his involvement in the Great Mouse Plot of 1924? If not, you don't yet know all there is to know about Roald Dahl. Sure to captivate and delight you, the boyhood antics of this master storyteller are not to be missed!

A best-selling account describes the intelligence operations of allied forces during World War II as experienced by wounded RAF pilot Roald Dahl, a patriot who infiltrated the upper reaches of Georgetown society and worked with such figures as Churchill, Roosevelt, and spy chief William Stephenson to influence U.S. policy in favor of England. Reprint.
