The definitive A-to-Z guide to researching, selecting, and starting a viable franchise business With more and more professionals looking for alternatives to traditional corporate employment, Become a Franchise Owner! informs would-be franchise owners of the joys and perils of purchasing a franchise. Authored by a trusted, feisty, tell-it-how-it-is independent franchise industry insider, this book offers straightforward, step-by-step tips and advice on how to properly (and carefully) research and select a franchise business. Get tips on how to locate information about franchises, current industry trends, interviews with franchisors, and hot franchise opportunities. Offers a self-evaluation to discover if you are "franchise material" Describes how to choose the right franchise for your specific situation Lists the 40 crucial questions to ask current franchise owners Owning a franchise isn't for everyone; in fact, as Joel Libava says, "it's really not for most people." But if it is for you, this book can guide you in starting your own successful franchise business.

How can I avoid self-employment taxes? This simple question was the inspiration for creating an article describing the benefits of an S Corporation. That original article, which was about four pages long,

Online Library Buy Hot Franchises Without Getting Burned A How To Franchise Guide Helping You Make The Best Decision When You Buy A Franchise

quickly became a series of KnowledgeBase articles on the Watson CPA Group website. The articles touched on basic topics such as how to elect S Corp status, payroll, reasonable salary determination, retirement planning, health care, fringe benefits and liability protection. Those broad topics demanded much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. The articles were grouped and relabeled as the Taxpayer's Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition. Time marched on, and more information was added to the first edition such as expanded retirement planning concerns, health care options after the Affordable Care Act and business valuations including exit strategies. Boom, we now had our second edition at over 100 pages. At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback. So here we are.. Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer's Comprehensive Guide to LLCs and S Corps and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book will show you how to reduce your self-employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage. You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status. Want to buy or sell a business? That's in here too. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of the precise words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.

'This is the definitive guide for anyone looking to enter the restaurant industry! Full of hands-on practical advice and real-life examples, Robin and Eric provide you with the expertise necessary to avoid common pitfalls and navigate your way to owning the restaurant of your dreams!' -Herb Mesa, Finalist, The Next Food Network Star, Season 6 'Outstanding work...presented in a bright and motivating style that is quite informative. Highly recommended reading for the food service entrepreneur.' -Henry L. Hicks, Certified business broker, fellow of the IBBA, past chairman of the board of the International Business Brokers Association, CEO of Georgia Business Associates, Inc., board member of the Georgia Association of Business Brokers Six out of every ten startup restaurants fail. Your restaurant should not be one of them. Veteran industry experts and restaurant brokers Eric and Robin Gagnon now present their guide to buying an existing restaurant so you can beat the odds. Readers will finish this book knowing how to acquire a restaurant in a way that is less

buying a franchise is more profitable, and delivers a better return on their investment. With the help of this guide, you can soon satisfy your Appetite for Acquisition!

A twenty-first-century update to the modern business classic . . . For more than fifteen years, this handy guide has provided entrepreneurs and small business owners with a simple, step-by-step plan for buying or selling a business—without their own special team of lawyers and accountants. Written by leading business attorney Robert Klueger, this up-to-date guide now includes everything you need to know about recent tax law changes, as well as an entirely new chapter on limited liability companies. It answers all your critical questions, covering everything from the valuation of a business through the negotiation stages to closing the deal. Packed with the kind of real-world guidance you can only get from a professional, *Buying & Selling a Business, Second Edition* shows you how to: * Choose a business that's right for you * Evaluate the business, determine why the seller is selling, analyze the seller's operations, and analyze balance sheets, income statements, and cash flow * Negotiate effectively—including negotiating for price, timing, stock and asset agreements, noncompetitive agreements, and more * Buy a franchise—key considerations that make a franchise different * Ensure a hassle-free closing with no surprises

"It takes issue with much of the conventional wisdom in business thinking, such as the central role of marketing, the need for secrecy and the focus on price. Instead, it stresses the importance of personal values in driving success"—Back cover.

The Business of Studio Photography is packed with proven strategies for starting a new studio or improving an existing one—and now this classic book has been thoroughly updated and revised for the new digital-imaging era. Expert advice on every aspect of running a studio is featured: location, financing, equipment, digital shooting, proofing, and ordering; marketing, Web advertising, public relations and self-promotion; pricing, negotiating with labs, selling to the wedding, portrait, school, commercial, and art photography markets; digital imaging, business plans, and more. Equipment checklists and sample business forms, plus full resource lists for websites, magazines, and books are included. *The Business of Studio Photography* is the complete one-stop guide to opening and running a successful photography studio.

In *Multiple Streams of Income*, bestselling author Robert Allen presents ten revolutionary new methods for generating over \$100,000 a year—on a part-time basis, working from your home, using little or none of your own money. For this book, Allen researched hundreds of income-producing opportunities and narrowed them down to ten surefire moneymakers anyone can profit from. This revised edition includes a new chapter on a cutting-edge investing technique.

Sport Marketing, Fourth Edition With Web Study Guide, has been streamlined and updated to keep pace with the latest information and issues in the competitive world of sport marketing. This text maintains its position as the best-selling and original text in the field, continuing to direct students to a better understanding of the theoretical backbone that makes sport marketing such a unique and vibrant subject to study. Using the new full-color format and companion web study guide, students will stay engaged as they explore how fans, players, coaches, the media, and companies interact to drive the sport industry. Heavily updated with more contributions from industry professionals and emphasis on social media platforms that have revolutionized the field in recent years, this edition contains practical material that prepares students for careers in sport marketing. It also includes these updates:

- A web study guide featuring exclusive video interviews with industry professionals and accompanying activities that tie core concepts and strategies from the book into applied situations
- Instructor ancillaries enhanced by gradable chapter quizzes that can be used with learning management systems
- An attractive and engaging full-color interior
- Chapter objectives, opening scenarios, engaging sidebars, and photos throughout the text that guide students in grasping important concepts
- Wrap-Up, Activities, and Your Marketing Plan sections at the end of each chapter that offer opportunities for self-assessment and review

The highly respected authors have long been recognized for their ability to define this exciting field, combining academic study and current research with industry experience for an unmatched learning experience for students preparing to enter the working world. The content in this fourth edition of Sport Marketing has been reorganized to make it easier to use in the classroom. Chapters 1 through 3 provide an overview of the field of sport marketing as an area of study and profession. Chapters 4 and 5 teach students how to research and study the behaviors of sport consumers, including an overview of marketing segmentation. Chapters 6 through 13 provide extensive information on the nuts and bolts of the field, including the five Ps of sport marketing and special sections on branding, sales and service, engagement and activation, community relations, and social media. The final chapters explore legal issues, integration, and the future of sport marketing. Instructors may also take advantage of the student web study guide and complete package of ancillaries to enhance learning and presentation of core concepts. All materials, including the web study guide, instructor guide, test package, presentation package plus image bank, and LMS-compatible chapter quizzes, are available online. The world of sport marketing continues to evolve. Sport Marketing, Fourth Edition With Web Study Guide, offers students a complete view of the expansive field of sport, providing an understanding of the foundations of sport marketing and how to enhance the sport experience.
