Restorative Justice Today: Applications of
Restorative Interventions takes a hard look
at the issues and concepts surrounding
restorative justice and current restorative

Read Online By Katherine Van Wormer Fred H

practices used in a broad range of areas today. In a time when the cost of prisons and jails is on the rise resulting in more offenders being kept out of the community, this timely and contemporary book exposes readers to a range of restorative practices that can be implemented. The authors, renowned

experts in the area of restorative justice,
provide information not found in other
restorative justice texts.

The Maid Narratives shares the memories
of black domestic workers and the white
families they served, uncovering the often
intimate relationships between maid and

Read Online By Katherine Van Wormer Fred H

mistress. Based on interviews with over fifty people -- both white and black -- these stories deliver a personal and powerful message about resilience and resistance in the face of oppression in the Jim Crow South. The housekeepers, caretakers, sharecroppers, and cooks who share their experiences in *The Maid*

Read Online By Katherine Van Wormer Fred H

Narratives ultimately moved away during the Great Migration. Their perspectives as servants who left for better opportunities outside of the South offer an original telling of physical and psychological survival in a racially oppressive caste system: Vinella Byrd, for instance, from Pine Bluff, Arkansas, recalls how a farmer

Read Online By Katherine Van Wormer Fred H

she worked for would not allow her to clean her hands in the family's wash pan. These narratives are complemented by the voices of white women, such as Flora Templeton Stuart, from New Orleans, who remembers her maid fondly but realizes that she knew little about her life. Like Stuart, many of the white narrators remain

Read Online By Katherine Van Wormer Fred H

troubled by the racial norms of the time. Viewed as a whole, the book presents varied, rich, and detailed accounts, often tragic, and sometimes humorous. The Maid Narratives reveals, across racial lines, shared hardships, strong emotional ties, and inspiring strength.

Advanced Clinical Social Work Practice
And The Social Environment Macro Level
Groups, Communities, And Organizations Second 2nd
Edition

traces the development of relational ideas
from their origin in object relations and
self psychology to their evolution in
current relational, intersubjectivity, and
attachment theory. Relational treatment
emphasizes openness and collaboration
between client and therapist, mutual

Read Online By Katherine Van Wormer Fred H

impact, the client's subjectivity, and the therapist's empathy, genuineness, and use of the self in therapeutic interaction. The approach treats the relationship and dialogue between client and therapist as crucial to the change process and shows how the therapeutic relationship can be used to help clients and therapists bridge

Read Online By Katherine Van Wormer Fred H

differences, examine similarities, overcome impasses, and manage enactments. The relational emphasis on the subjective experience of both client and therapist is beautifully illustrated throughout this book as the authors draw from their clinical work with clients from diverse backgrounds, including gay and

Read Online By Katherine Van Wormer Fred H

lesbian clients, immigrants, and clients of color. They demonstrate how relational principles and techniques can be applied to multiple problems in social work practice; for example, life crises and transitions, physical and sexual abuse, mental disorders, drug addiction, and the loss of a loved one. The authors also

Read Online By Katherine Van Wormer Fred H

discuss the integration of relational
constructs in short-term treatment and
with families and groups. This volume
opens with a historical perspective on the
role of relational thinking in social work
and the evolution of relational theory. It
presents an overview of the key concepts
in relational theory and its application

Read Online By Katherine Van Wormer Fred H

throughout the treatment process with diverse clients and in different practice modalities. The book concludes with a discussion of the challenges in learning and teaching new theoretical and practice paradigms, particularly in creating a more mutual exchange in the classroom and during supervision.
