So what's it like to be a

# Acces PDF Cop Town

cop in a small Wyoming town in the heart of flyover country? Is it like Barney Fife's sleepy little Mayberry? Sometimes. Is it like Dirty Harry Callahan's San Francisco? On occasion. Is it boring? Is it

# Acces PDF Cop Town

exciting? Is it scary? Is it rewarding? Is it challenging? Is it dangerous? Is it fun? Is it heartbreaking? If you were to ask Bart Ringer these questions his answer to all of them would be yes. Bart

hired on with the Riverton Police Department in May of 1973 and for the next thirty seven years served as a Patrolman, Sergeant, Assistant Chief and School Resource Officer. This book is a collection of some of

his experiences as he worked with the people of Riverton. These experiences are by no means unique to him so much as they are a reflection of what any cop on the beat in a small busy Wyoming town will encounter in the course

of their career. So come on and hop in the patrol car as a ride along for a taste of routine patrol!

Confessions of a Small Town Cop is the story of how the author, Donald C. Partridge

# Acces PDF Cop Town

searched for identity in his work, relationships and marriage. The object of Donald's search eluded him until he returned to his roots, spiritually. When Donald reconnected with the God he thought had failed

# Acces PDF Cop Town

him he found forgiveness, by forgiving others, and restoration. Confessions is the testimony of a modern day prodigal, written after encouragement from friends to give this testimony to God in written form. It

# Acces PDF Cop Town

includes events witnessed that can only be called miracles, as well as the more, mundane everyday experiences of this and other Peace Officers. It goes from humorous to exciting to poignant.

# Acces PDF Cop Town

Confessions is a must for any likely, would be Cops, and their families. It is an interesting look at law-enforcement for current Cops, and to Christians is a testimony of the redemptive work of Jesus in Donald's

life.

Jeff Buck thought he'd seen it all. Twenty years working undercover in the netherworld of drugs had left him burned out and grateful to assume the quiet

# Acces PDF Cop Town

job of police chief in the small town of Reminderville, Ohio. That is, until a simple domestic assault case turns out to have links to the murder of a drug runner in upstate New York and a syndicate smuggling billions

## Acces PDF Cop Town

of dollars in drugs across the U.S.-Canada border. As Buck reluctantly plunges back into his old world of death and deceit, he uncovers a complex chain linking the Hells Angels to the Russian Mafia in a plot

# Acces PDF Cop Town

to use Native American tribal land to smuggle their deadly wares into the United States. From grow houses set ablaze in Quebec to the insular St. Regis Mohawk Indian Reservation, from board rooms and biker wars

# Acces PDF Cop Town

to the frozen rivers that serve as private turnpikes for the drug gangs, Buck opposes a serpentine criminal enterprise that has every reason to want to end his crusade in violence and bloodshed. Ultimately, his

# Acces PDF Cop Town

efforts lead to an unprecedented slew of indictments on both sides of the border and prison terms for even the kingpins, toppling an empire once deemed invincible. Takedown spans the period of December

A darkly comic tale about Mr Less-Than-Average in an average world from the No. 1 Bestseller. Crime fiction obsessive Martin Reed is the proverbial butt of

# Acces PDF Cop Town

everyone's jokes. Working as a glorified accountant at Southern Toilet Supply and still living with his cantankerous mother, he has become resigned to the world in which he lives - the school bullies now pick on

# Acces PDF Cop Town

him in the workplace, women still spurn him and his arch enemy is now his supervisor. But then he arrives at work one morning to find the police on site. A co-worker has been brutally murdered and her body abandoned in a

ditch. And the overwhelming evidence points to Martin - especially when he can't or won't admit that he has an alibi. When a second victim is found in the company bathroom, things really conspire against Martin. The

# Acces PDF Cop Town

one bright star on his otherwise bleak horizon is the beautiful and sympathetic Detective Anther Albada, but even she's beginning to have her doubts about his innocence. Could Martin be guilty? Or is he

# Acces PDF Cop Town

just misunderstood?

"Atlanta, 1974. It's Kate Murphy's first day on the job and the Atlanta Police Department is seething after the murder of an officer. Before the day has barely

# Acces PDF Cop Town

begun, she already suspects she's not cut out for the job as a cop. Her male uniform is too big, she can't handle a gun, and she's rapidly learning that the APD is hardly a place that welcomes women. Worse

## Acces PDF Cop Town

still, in the ensuing manhunt, she'll be partnered with Maggie Lawson, a cop with her own ax to grind (and a brother and uncle already on the force)--a strategy meant to isolate Kate and Maggie from the

# Acces PDF Cop Town

action. But the move will backfire, putting them right at the heart of it"--
