to know "What does current research say?" and "Why is this important?" will appreciate both the applied nature of this text and the clarity and rigor of the authors' presentation of current research. An exceptional pedagogical package that ties the textbook to online REVEL study tools complements the student-centered approach of the book and offers students the benefit of frequent self-assessment.

After her "stand-in mother," a bold black woman named Rosaleen, insults the three biggest racists in town, Lily Owens joins Rosaleen on a journey to Tiburon, South Carolina, where they are taken in by three black, bee-keeping sisters.

For undergraduate courses in Child Development taught Chronologically. Boyd/Bee provides students the most support for learning and success. The Growing Child emphasizes how the three domains of development - physical, cognitive, and socio-emotional - interact with each other and with the environment to affect developmental outcomes. Featuring an innovative student-focused format, it provides the self-assessment tools necessary to keep students engaged in active learning from start to finish, as well as the most support to help students organize, understand, and apply the material. Here is the ideal introduction for preschoolers and early elementary children to insects that are not only amazing but also critically important to humans. Inside the hive views of a wild colony of honey bees offer close ups of the queen, the cells, even bee eggs. Simple verse will engage a young child, while sidebars with fascinating information satisfy the somewhat older child. Parents, teachers, and kids will love this picture book. The detailed art shimmers with life, highlighting each hair or grain of pollen on the bees. A wild hive in a tree in her own backyard served as a model for the artist! Backmatter includes: further information about wild and domestic hives. information on how to learn more about honey bees.

Lily has grown up believing she accidentally killed her mother when she was four. She not only has her own memory of holding the gun, but her father's account of the event. Now fourteen, she yearns for her mother, and for forgiveness. Living on a peach farm in South Carolina with her father, she has only one friend: Rosaleen, a black servant whose sharp exterior hides a tender heart. South Carolina

in the sixties is a place where segregation is still considered a cause worth fighting for. When racial tension explodes one summer afternoon, and Rosaleen is arrested and beaten, Lily is compelled to act. Fugitives from justice and from Lily's harsh and unyielding father, they follow a trail left by the woman who died ten years before. Finding sanctuary in the home of three beekeeping sisters, Lily starts a journey as much about her understanding of the world, as about the mystery surrounding her mother.
