and political change, but her crucial contributions and commanding presence have often been overshadowed by those of Chávez and other leaders in the Chicana/o movement. In this new study, Stacey K. Sowards closely examines Huerta's rhetorical skills both in and out of the public eye and defines Huerta's vital place within Chicana/o history. Referencing the theoretical works of Pierre Bourdieu, Chela Sandoval, Gloria Anzaldúa, and others, Sowards closely analyzes Huerta's speeches, letters, and interviews. She shows how Huerta navigates the complex intersections of race, ethnicity, gender, language, and class through the myriad challenges faced by women activists of color. Sowards's approach to studying Huerta's rhetorical influence offers a unique perspective for understanding the
