The game has started. Now only Will Robie and Jessica Reel can end it This story allows Baldacci time for the growing relationship between Robie and Reel, a clever, different, well paced, action packed thriller. Lots of great characters, especially Sheriff Malloy. I really enjoyed this book reading half the book in two days ! Five stars

In the Will Robie series, America has enemies—a group of ruthless people that the FBI, police, even the US military can't stop. In order to combat them, the government calls on the support of Will Robie, the stone-cold hitman who doesn't question any orders and always nails down his target. The first novel in the Will Robie series is THE INNOCENT which was released in 2012.

Will Robie - Book Series In Order

1 AS WILL ROBIE STARED out the plane window, he knew the next twenty-four hours could possibly be his last ones on earth. Yet that was simply another day on the job for him. The undercarriage of multiple reinforced wheels touched down and grabbed the tarmac, and the thrust reversers engaged.

About The Will Robie Series America has enemies — ruthless people that the police, the FBI, even the military can't stop. To combat them, the U.S. government calls on Will Robie, a stone-cold hitman who never questions orders and always nails his target.

DAVID BALDACCİ – WILL ROBİE SERIES | David Baldacci

End Game, so far the latest in the David Baldacci Will Robbie books, departs slightly from the usual assassin-style novel and enters the detective mystery genre.

Will Robie Series Reading Order by David Baldacci

I love the Memory Man series he has written! With another installment due out April 2018, I just am hoping he doesn't try to end the series with a novel sub-par like he has in End Game and his John Puller series where the ending was horrible too. Normally, I don't write reviews if I don't like a book.

#1 New York Times bestselling author David Baldacci returns with his most breathtaking thriller yet! Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very foundations of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man . . . INCREDIBLE PRAISE FOR DAVID BALDACCİ'S #1 NEW YORK TIMES BESTSELLING WILL ROBİE SERIES: "Fast-paced entertainment at its best." --Florida Times-Union "Robie and Reel are complex characters, and anything they do is a pleasure to follow...Baldacci knows how to get readers to turn the pages." --Associated Press "David Baldacci has never been better than in The Guilty. His latest to feature conflicted assassin extraordinaire Will Robie takes the character--and series--to new heights....A stunning success from one of America's great literary talents." --Providence Sunday Journal on The Guilty "A first-class thriller...David Baldacci's four bestselling novels about government assassin Will Robie have straddled that line of edgy, high-concept suspense, augmented with a bit of the political thriller, and deep character studies." --Sun-Sentinel (FL) on The Guilty "With a lightning pace, captivating characters, and astonishing twists throughout, The Hit is guaranteed to keep your attention from the first page to the last." --The Times-News (NC) on The Hit

Two of the government's most lethal assassins scour rural Colorado to find their missing handler--and discover an insidious and lethal threat along the way in this New York Times bestselling thriller. Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very core of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man...

End Game is the fifth book in the thrilling Will Robie series by international number one bestselling author David Baldacci. London is on red alert. Will Robie, as the US government's most lethal assassin, is called in to foil a terrorist attack on the London Underground. An attack serving as a test run for a much larger plot to take place on US soil. Trained to neutralize threats without leaving a trace, he's an indispensable asset to his country. But then reports come in that his mentor, Blue Man, real name Roger Walton, has gone missing while visiting his home town in Colorado. Fearing he's been kidnapped, Robie, and fellow agent Jessica Reel, are sent to investigate. The high-ranking CIA official holds secrets that could threaten national security if released and so only the best will do in tracking him down. This tight-knit community close to the Rocky Mountains holds many secrets and people there are more than willing to take the law into their own hands at the first sign of trouble. To them, two government agents are just that. As their investigation deepens, Robie and Reel come into contact with white supremacists and a cult that call themselves the King's Apostles. But are either group implicated in the disappearance of Walton? When the truth emerges it will test them both to their very limits . . .

After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father--but to save him, he'll have to face a violent and deadly fallout in this New York Times bestselling thriller. Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi after high school, severing all personal ties, and never looked back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie--a local attorney and pillar of the community--has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help, his father responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism...and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.

America has enemies--ruthless people that the police, the FBI, even the military can't stop. That's when the U.S. government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first--and last--mistake of his career . . . THE INNOCENT It begins with a hit gone wrong. Robie is dispatched to eliminate a target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway--her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own.

The President knows it's a perilous, high-risk assignment. If he gives the order, he has the opportunity to take down a global menace, once and for all. If the mission fails, he would face certain impeachment, and the threats against the nation would multiply. So the president turns to the one team that can pull off the impossible: Will Robie and his partner, Jessica Reel. Together, Robie and Reel's talents as assassins are unmatched. But there are some in power who don't trust the pair. They doubt their willingness to follow orders. And they will do anything to see that the two assassins succeed, but that they do not survive. As they prepare for their mission, Reel faces a personal crisis that could well lead old enemies right to her doorstep, resurrecting the ghosts of her earlier life and bringing stark danger to all those close to her. And all the while, Robie and Reel are stalked by a new adversary: an unknown and unlikely assassin, a woman who has trained her entire life to kill, and who has her own list of targets--a list that includes Will Robie and Jessica Reel.

Master assassin Will Robie must track down a deadly rogue agent, but the attacks conceal a larger threat that could send shockwaves through the U. S. government and around the world in this #1 New York Times bestselling thriller. Will Robie is a master of killing. A highly skilled assassin, Robie is the man the U.S. government calls on to eliminate the worst of the worst--enemies of the state, monsters committed to harming untold numbers of innocent victims. No one else can match Robie's talents as a hitman...no one, except Jessica Reel. A fellow assassin, equally professional and dangerous, Reel is every bit as lethal as Robie. And now, she's gone rogue, turning her gun sights on other members of their agency. To stop one of their own, the government looks again to Will Robie. His mission: bring in Reel, dead or alive. Only a killer can catch another killer, they tell him. But as Robie pursues Reel, he quickly finds that there is more to her betrayal than meets the eye. Her attacks on the agency conceal a larger threat, a threat that could send shockwaves through the U.S. government and around the world.

In this all-new short story from #1 New York Times bestselling author David Baldacci, worlds collide when government assassin Will Robie is caught in the crossfire with Oliver Stone and the Camel Club. Will Robie is closing in on his next target when he finds himself in the middle of a bank heist--and he's taken hostage alongside Oliver Stone. But is this just a simple bank job, or are the robbers after something even more valuable--and dangerous--than the cash in the vault? Available only as an ebook.

Detective Inspector Ellie March of the Ontario Provincial Police is called in to investigate when a man from the village of Sparrow Lake is found shot to death, execution style, in a farmer's field in rural eastern Ontario. Leading an inexperienced team of detectives, she probes beneath the wintry surface of the township to discover that the victim had a dark secret--one that may endanger others in the community as well. For young and enthusiastic Detective Constable Kevin Walker, the chance to work with Ellie March is an honour, until the situation turns ugly and unexpected betrayal threatens to destroy his promising career.

Now a Richard & Judy Book Club pick, End Game is the fifth book in the thrilling Will Robie series by international number one bestselling author David Baldacci. Will Robie, highly trained assassin and the US government's most indispensable asset, is called to London. An imminent terrorist attack threatens the Underground and with the US next in line, Robie is the perfect choice to stop it before it begins. He knows he has one chance to succeed. One chance to save London. One chance to make it safely home to find out what has happened to fellow agent Jessica Reel following their last deadly mission together. But Robie is about to learn that even if he succeeds, the worst is yet to come. The game has started. Now only he can end it . . .
