kids how to master reading while rocking out with Pete the Cat. Phonics teaches children the relationship between letters and the sounds they make. A child who has mastered these relationships has an excellent foundation for learning to read and spell. According to the National Institute of Child Health & Human Development, a child who has learned phonics has a method to recognize familiar words and “decode” unfamiliar ones.

Parents can play an immensely important role in supporting their children's literacy learning at home, but how can primary teachers enlist the support of parents in helping children learn literacy? With a focus on improving children's literacy skills, this book provides practical answers to key questions that are directly relevant to all primary teachers and to many parents. It presents new ways of linking learning in home and school through a range of activities that can be used to share knowledge between children, parents and teachers. Activities include: teachers and children making videos to show parents how children learn literacy in school parents and children taking photos of the 'everyday' literacy they use outside school parents and teachers exchanging information through Home-School
