Anyone can learn computer science, even at the elementary school level. This book delves into the essential computer science concept of loops using age-appropriate language and colorful illustrations. A meaningful storyline is paired with an accessible curricular topic to engage and excite readers. This book introduces readers to a relatable character and familiar situation, which demonstrates how loops are used in everyday life. Readers will follow Gina as she goes about her daily routine before school. This fiction title is paired with the nonfiction title *What I Do Every Day* (ISBN: 9781538350904). The instructional guide on the inside front and back covers provides: Vocabulary, Background knowledge, Text-dependent questions, Whole class activities, and Independent activities.
