For native plant aficionados, our North American native witch hazel, Hamamelis virginiana, is also trialed, along with five of its cultivars. The native species is hardy (USDA Zones 3-8), spectacular in autumn (it flowers at the same time as its leaves turn golden yellow, rather than blooming in winter), and its fragrance is somewhere between sweet and intoxicating on a fine fall day.

By #1 New York Times bestselling author Holly Black, the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe. Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King. To win a place at the Court, she must defy him--and face the consequences. In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

Where everybody lies. And some people kill... An electrifying debut crime novel and the first in a new series featuring psychologist Harry Cull. Perfect for fans of Michael Connelly, Peter James and Greg Iles.

The enchanting and bloodthirsty sequel to the New York Times bestselling novel The Cruel Prince. You must be strong enough to strike and strike and strike again without tiring. The first lesson is to make yourself strong. After the jaw-dropping revelation that Oak is the heir to Faerie, Jude must keep her brother safe. To do so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.

A girl makes a secret sacrifice to the faerie king in this lush New York Times bestselling fantasy by author Holly Black In the woods is a glass coffin. It rests on the ground, and in it sleeps a boy with horns on his head and ears as pointed as knives.... Hazel and her brother, Ben, live in Fairfold, where humans and the Folk exist side by side. Since they were children, Hazel and Ben have been telling each other stories about the boy in the glass coffin, that he is a prince and they are valiant knights, pretending their prince would be different from the other faeries, the ones who made cruel bargains, lurked in the shadows of trees, and doomed tourists. But as Hazel grows up, she puts aside those stories. Hazel knows the horned boy will never wake. Until one day, he does.... As the world turns upside down, Hazel has to become the knight she once pretended to be. The Darkest Part of the Forest is bestselling author Holly Black's triumphant return to the opulent, enchanting faerie tales that launched her YA career.
