VW Transporter Stuff - Accessories for VW T6, VW T5 ...

Although today used almost exclusively as a commercial vehicle, the VW Transporter was first released in 1950 and has a long, eventful and iconic history. In the UK the early models are better known as the VW Camper, and are instantly recognisable with their now iconic design. The more modern vehicles are far from this retro styling however, and are instead functional, practical vans with ...

With step-by-step instructions and photography throughout, this book clearly demonstrates how to safely and effectively transform your VW van into a practical, affordable camper using DIY skills, and basic hand and power tools. Geared towards the home-builder, the book covers: buying guides and planning; tools, materials, costs and legalities; insulation, carpet lining and flooring; fitting a pop-top roof and windows; building interior units, doors and drawers; fitting a rock and roll bed, roof beds and swivel seats, and finally, installing water, gas and electricity, with safety at the forefront.

Convert your own VW Panel Van to a Camper, and you've got the best of both worlds, as Lindsay Porter's manual shows. The T5 Transporter, the world's best selling van, is great to own and you'll save a fortune compared to the cost of buying a ready-converted Camper. Follow the detailed, highly illustrated instructions in this manual and you can't go wrong! This book will show you how to choose the right Panel Van for your needs, how to fit the roof, windows and furniture, plus step-by-step guides to fitting cookers, a water supply, wash-stands, heaters and more. A detailed guide with 500 illustrations, covering every aspect of the conversion. You'll save money and learn a lot!

The complete practical guide to modifying VW Bus (Transporter) T1 to T5 suspension, brakes and chassis for maximum performance. Contains essential information on using aftermarket parts and interchangeable parts from other production vehicles to achieve great handling (and a lower stance if required). This edition includes many new photographs and archive pictures plus an additional 16 pages of information.
