Here are some pieces of practical advice for preparing and taking Step 1. Take it with a grain of salt and take away the bits and pieces that resonate with you. 1. Step 1 = Excellent Clerkship Preparation. Many students told me that Step 1 was nothing like clerkships.

~~I Scored 258 on Step 1 in 6 Weeks. Here's How ... — Yousmle~~

1. Integrate and Apply. USMLE Step 1 will test your ability to apply and integrate your knowledge. Memorizing will NOT get you far, but that is what so many students resort to, derailing their chances before they've even started. Why do they memorize? Because learning for understanding is difficult.

~~Step 1 — Yousmle~~

The deck covers most things in First Aid for the USMLE Step 1. The authors further said that he will explain parts of First Aid that he did not Anki. There are just under 20,000 cards. I feel this deck helped me greatly during my studies and helped me score in the 260s on USMLE Step 1.

Lippincott Illustrated Reviews: Pharmacology, Sixth Edition, is the updated, enhanced version of the student-favorite resource for essentials of medical pharmacology. The first-and-best resource, the Lippincott Illustrated Reviews series features clear, effective writing and hundreds of illustrations for ideal rapid review and the assimilation of complex information. Clear, sequential images present mechanisms of action and focus on showing rather than telling students how drugs work. New edition features: All NEW chapters on Drugs of Abuse, Drugs for Obesity, Antihistamines, Drugs for Urologic Disorders, Drugs for Hematopoietic Disorders, Drugs for Dermatological Disorders, and Drugs for Bone Disorders Over 380 study questions! Nearly 600 annotated, full-color illustrations visually explain complex processes! Outline format ideal for concise review and foundational learning

Written by residents for residents, Pocket Neurology, 2nd Edition is your go-to resource for essential neurologic information in a high-yield, easy-to-use format. Concise and well organized, it provides must-know information on hospital- and clinic-based neurologic workup, diagnosis, and management. The second edition of this pocket-sized bestseller delivers highly relevant adult neurologic coverage in an easily portable source. Find what you need quickly and easily with concise text, numerous tables, and bulleted lists throughout. Progress logically from neurologic signs and symptoms to differential diagnosis, workup and diagnosis, assessment of risks and benefits of available treatments, to treatment and prognosis. Focus on the most important, highly relevant facts thanks to a streamlined presentation that allows for more algorithms, tables, diagrams, and images. Stay up to date in every area of neurology with significantly revised chapters on stroke, epilepsy, dementia, and MS, and more drug dosing information regarding inpatient care. Consult this high-yield handbook by clinical presentation, such as coma, stroke, headaches, and seizures, or by special topic, such as neuroimaging, behavioral neurology, and sleep medicine. Learn from neurology residents and beginning neurology fellows in collaboration with attending neurologists at the Massachusetts General Hospital, Brigham and Women's Hospital, Children's Hospital Boston, and Beth Israel Deaconess Medical Center.

This volume in the popular Secrets Series® zeroes in on all of the USMLE Step 2's most important "need-to-know" information, covering all of the content found in the most recent exams. The Series proven "question- and -answer" format helps readers to think more logically and organize their thoughts...for

a better understanding of the material and the style and structure of the exam. The author offers perceptive insights and practical guidance on how to prepare and what to expect. Covers all of the specialty and subspecialty topics included in the Step 2 exam. Uses illustrations of key conditions to demonstrate what the reader will be expected to recognize. Features thought-provoking questions with succinct answers. Makes reference easy with lists and tables. Includes pearls, tips, memory aids, and "secrets". Features Top Secrets for Step 2 Preparation, 100 of the top "pearls of wisdom" for Step 2 exam preparation. Uses a new, two-color design with more illustrations that makes studying easier.
